

March 17, 2020

Dear valued Customer(s),

We are providing an update to the status of our Global Operations and Supply Chain.

As noted in February, The World Health Organization has declared the Coronavirus (2019-nCoV) a "Public Health Emergency of International Concern". Victaulic continues to take appropriate measures to protect the health and safety of our employees and partners throughout our supply chain. Victaulic as a Global Manufacturer utilizes a vast supply chain network to maintain availability and delivery for our customers. While there may be various local issues and constraints due to regional and/or national restrictions, Victaulic will work with customers to minimize the impact.

Victaulic remains committed to our customers and providing outstanding support and innovation.

Best Regards,

A handwritten signature in blue ink, appearing to read "Mark Danial", enclosed within a thin yellow rectangular border.
